

2006-2007 Ceded Territory Walleye Bag Limits.

Inland waters not listed below have a total daily bag limit of 5, unless listed in the regulation pamphlet as a special regulation water. THESE BAG LIMITS ARE EFFECTIVE FROM MAY 27, 2006 TO MARCH 4, 2007 INCLUSIVE.

The total daily bag limit for walleyes is five. If the lake you are fishing has a bag limit less than five, you can fish other lakes to fill your total daily bag limit. While fishing, you cannot possess fish in excess of that lake's daily bag limit. **Therefore, remember to remove all fish from your boat prior to fishing on a second lake that also has a restricted bag limit.**
